

Downloading an EOL

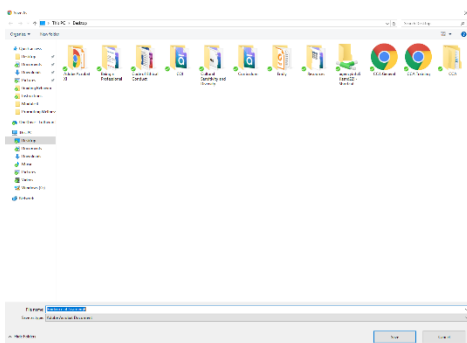

Scroll down to find the web browser you are using, then follow the directions for how to download an Evidence of Learning (EOL).

Chrome:

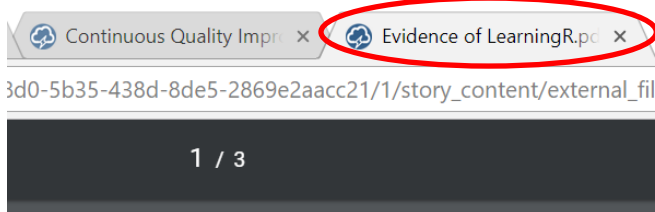

1. Click on the Resources tab and locate the file titled Evidence of Learning. Click on it.
2. The EOL will open in a new tab in the web browser. Click  to download the EOL.

3. Save the EOL to your device.

4. Close the EOL tab by clicking the "X," located at the top of the screen.

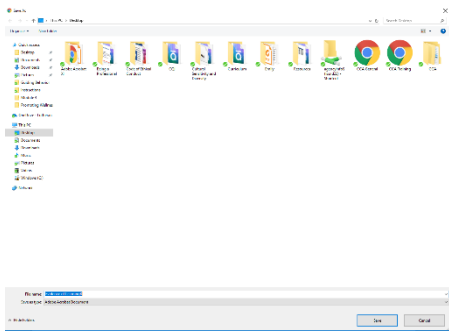

5. Find and open the EOL on your device (wherever you saved it). You can now type your answers into your EOL. Remember to save the EOL as you go!

Microsoft Edge (newest version of Internet Explorer):

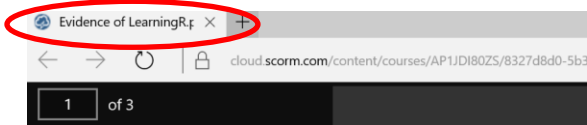

1. Click on the Resources tab and locate the file titled Evidence of Learning. Click on it.
2. The EOL will open in a new tab in the web browser. Click  to download the EOL.

3. Save the EOL to your device.

4. Close the EOL tab by clicking the "X," located at the top of the screen.

5. Find and open the EOL on your device (wherever you saved it). You can now type your answers into your EOL. Remember to save the EOL as you go!

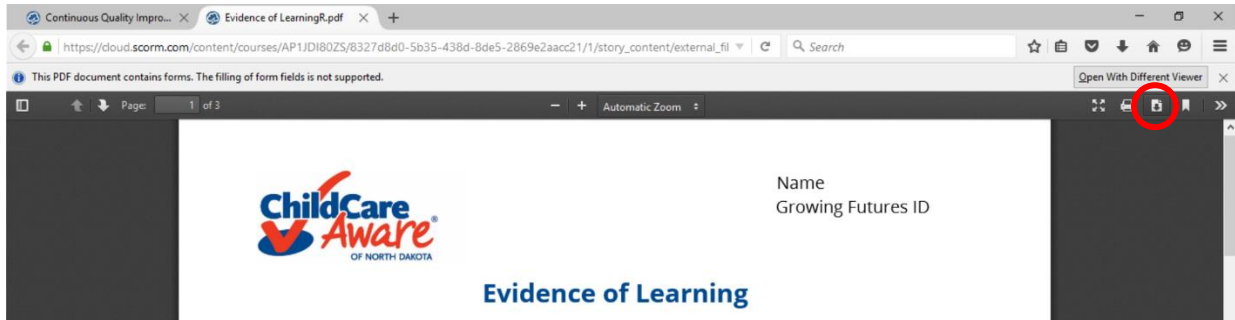

Downloading an EOL
