1. 2022 ND Kids Count Fact Book

2. ChildCare Aware® of North Dakota WorkLife Systems Database

3. School-age care numbers reflect programs licensed exclusively as before and after school programs under Early Childhood Services rules. Not all school-age programs are required to be licensed. In addition, many school-age children are enrolled in family/group programs and child carecenters.

4. Vacancies change daily and may not match the location or program characteristics desired by families needing care. A 10% vacancy rate allows families some choice among programs.
