³ School-age care numbers reflect programs licensed exclusively as before and after school programs under Early Childhood Services rules. Not all school-age programs are required to be licensed. In addition, many school-age children are enrolled in family/group programs and child care centers.

⁴ Vacancies change daily and may not match the location or program characteristics desired by families needing care. A 10% vacancy rate allows families some choice among programs.

⁵ Due to the limited number of programs, rates reflect a regional average
