

Is e-Learning right for you?

Are e-Learning courses a good fit for you? E-Learning courses are online, self-study courses that are available 24/7. E-Learning courses include an Evidence of Learning where you apply the skills and knowledge you learned throughout the course.

Read each question and answer "true" or "false". Answer honestly - no one will see this but you! Total your true and false responses as you go to see if e-learning is a good fit for you. A key is provided at the end of the survey.

PART ONE

1. I own or have access to a computer, tablet or smart phone.
True False

True False
3. I am comfortable with technology, especially web-based and internet technology.
True False
4. I have access to reliable internet, including an up-to-date web browser (i.e. Google Chrome, Microsoft Edge, Firefox or Safari)
True False
5. I have basic technology skills, such as the ability to use email and send attachments, navigate the internet and save, download and upload documents.
True False
6. I can edit documents using a word processing program on my computer or online (i.e. Microsoft Word, PDF, etc.)
True False
7. I am able to communicate well in writing.
True False

PART TWO

1. The words "pop-up blocker, download and upload" don't send me into a total panic.
True False
2. I do not give up easily when confronted with technology-related obstacles (i.e. internet connection issues, difficulty with downloads, difficulty with locating information, unable to contact someone for help immediately, etc.)
True False
3. I am good at completing tasks independently.
True False
4. I am self-motivated and like to be responsible for my own learning.
True False

5. I can set aside the required amount of time to complete a course.
True False

6. I am willing to seek help when I have questions or concerns.
True False

PART THREE

1. I like being able to complete training on my own schedule and at my own pace.
True False

2. I prefer not to travel to training.
True False

3. I enjoy the group discussions of a typical classroom experience.
True False

4. Instructor feedback is something I value and benefit from.
True False

5. Taking an e-Learning course is more difficult and more time-consuming than a face-to-face course.
True False

ANSWER KEY:

14-18 questions answered true: E-Learning and you are a perfect match! Go to www.ndgrowingfutures.org today and register for your first of many e-Learning courses!

8-13 questions answered true: You can do e-Learning! It may seem a little different at first, but after your first course you will feel more comfortable and confident taking an e-Learning course! To ease your worries about e-Learning, keep in mind Child Care Aware® is available to provide technical assistance and you can visit the Training Help Desk at www.ndchildcare.org for more resources.

0-7 questions answered true: E-Learning may not be for you at this time. E-Learning can be a big change and requires basic computer and internet skills. Consider taking an e-Learning course in the future and brush up on your skills as the opportunity arises. Learn more basic computer and internet skills [here!](#)
