Daily Health Check Guidelines
Prepared by the Health Consultant Team at Child Care Aware® of North Dakota

Signs to observe

COVID-19 specific symptoms:
During times of heightened concerns for COVID-19 exclude children for the following:
Fever (100.4° or higher) OR two or more of the following symptoms: fatigue, myalgia (body aches), cough, headache, chills, shortness of breath, congestion, sore throat, runny nose, nausea, vomiting, diarrhea, abdominal pain OR loss of taste and/or smell.

Symptoms to note for other types of illnesses:
• General mood and changes in behavior
• Fever of elevated body temperature
• Skin rashes, unusual spots, swelling or bruises
• Complaints of pain and not feeling well
• Signs/symptoms of disease (severe coughing, sneezing, breathing difficulties, discharge from nose, ears or eyes, diarrhea, vomiting etc.)
• Reported illness in child or family members

Use all your senses
• LOOK for signs
• LISTEN for complaints
• FEEL for fever
• SMELL for unusual odor

If changes are observed, it is important to address these changes with the parents so a decision can be made as to whether or not the child will be excluded.
