

Submit your training

This is the final slide of an eLearning course. When you see this slide, it means that you have completed the course. Click each button to learn about receiving credit, proof of completion and how to give feedback about the course. Once you have clicked each button, a red banner will appear at the bottom of the screen. When you are ready to exit the course, you will click the  in the blue bar at the top of the screen to submit your training.

An EOL is not required for “Registered” training. You will receive your score immediately once you submit your training. If you do not receive a score of 80% or higher, you will be allowed to retake the course.

An Evidence of Learning (EOL) is required in order to receive credit for any “Career Pathways” training. Please allow up to 10 business days from the time you submit your training to receive your score and feedback from an instructor. If your EOL does not meet expectations, you will be notified via the notes section of your Interactive Classroom and will be allowed to retake the course.
