

# Let's Explore

for Directors

Introducing  
3 exciting topics  
that will energize  
your child care  
facility!

The Let's Explore opportunity will show you ways to maximize your time and create a stronger program. Child Care Aware® of North Dakota consultants are eager to come to your facility (3 visits) to share tips, provide free materials and demonstrate ways you can incorporate new ideas into your program.

## Making Meetings Meaningful

Learn to accomplish more work in less time and have fun in your meetings. If staff meetings are a new thing at your facility or a regular occurrence, you will gain helpful insights into how to make this important staff time more effective.

## Partnering with Families

Strong partnerships with your child care families helps to create a better environment for children to grow and learn. Learn more ways to help initiate and maintain relationships with the families that you serve.

## Boosting Staff Morale

Having a cohesive team makes achieving your program goals easier. This Let's Explore topic focuses on how to make a stronger team, and what your role is, to encourage and guide your staff to their fullest potential.
