

Preschool Career Pathways Planning Guide

January - June 2021

How to use this guide

This guide identifies courses that will help you advance through the [Growing Futures Career Pathways](#). Courses listed in this guide are specific to early educators **working with preschoolers in a child care facility***. All courses listed in this guide are sponsored by Child Care Aware® of North Dakota and are Growing Futures-approved. **All courses are available at no cost through June 30, 2021.** **Separate planning guides are available for those working with infants and toddlers or in family child care.*

- 1 Choose the Career Category you want to achieve.
- 2 Choose the courses within that category to complete the required number of hours.
- 3 Learn more about each training and register by visiting ndgrowingfutures.org.

Training Delivery Methods		
	Face-to-Face	These in-person training events give you the opportunity to interact with leading experts in the early care and education field as they present the latest trends, research and hot topics.
	Online, Self-Paced	These online, self-study courses are available 24/7 and include an instructor-graded evidence of learning questions where you apply the skills and knowledge you learned throughout the course.
	Online, Instructor-Led	These online courses include weekly chat sessions, message board postings, as well as reading and writing assignments.
