

SETTING THE STAGE FOR LEARNING: INTENTIONAL ENVIRONMENTS

LEVEL 1 - 1 HOUR
ONLINE TRAINING

This engaging session is designed to empower educators with the skills and knowledge necessary to create inclusive early learning environments that celebrate diversity and promote tolerance. Through a comprehensive exploration of the National Association for the Education of Young Children (NAEYC)'s Position Statement on Advancing Equity, participants will learn how to implement practices that ensure all children feel valued as part of the classroom community. The course will also delve into strategies for actively involving families in their children's education, emphasizing the importance of building a cohesive community of learners.
