

3 SESSIONS - 8 APPROVED HOURS

# FINANCIAL FOUNDATIONS

## For Child Care Business

ONLINE - ZOOM

The Financial Intensives for Child Care Businesses is a three-session training series designed to strengthen the financial understanding and long-term sustainability of North Dakota childcare group-facility and center providers. This comprehensive program includes three interactive class sessions, guest speakers, an optional individualized coaching session.

### Session One: Financial Foundations

Learn to identify and classify their startup and operational costs, including variable, fixed, and capital expenses, while evaluating current accounting practices.

### Session Two: Financial Management

Gain an understanding of how cash flow impacts daily operations and long-term planning. Review essential financial documents, learn foundational tax principles and explore budgeting strategies

### Session Three: Financial Strategy

Prepare to take proactive steps towards financial sustainability. Topics include retirement planning and preparing your business for funding. Walk away with a financial roadmap.
